Foreword

Question: ‘How many Germans does it take to change a lightbulb?’

Answer: ‘One. They are efficient. And this is not a joke.’

Indeed, the proverbial German efficiency and seriousness are no laughing matter. Yet these qualities can also have their advantages, especially when it comes to doing business. A good example of this is the renowned efficiency of the German legal system. As a jurisdiction and place of business, Germany offers international companies considerable advantages. On comparison with other legal systems, it is more efficient, more predictable and more cost-effective. At the same time, it also ties in seamlessly with European and international law. This is in no small part due to the German Civil Code – the Bürgerliches Gesetzbuch (BGB) – which the present commentary elucidates for the first time in the English language.

Following the Roman law tradition, the Bürgerliches Gesetzbuch codifies the fundamental rules of German civil law. From contract and tort law, all the way to family law and the law of succession, it sets out the general guidelines and principles for legal relationships between private persons. It governs in particular the conclusion, performance and enforcement of contracts, as well as the main types of contracts such as purchase agreements, service contracts and contracts to produce a work. Unless the parties have agreed otherwise, the general rules apply automatically. The parties do not need to make arrangements for every eventuality from scratch, but can rely on the fair and balanced rules set out in the BGB. I would like to highlight four particular advantages that this brings:

- German contracts are significantly shorter in length than contracts concluded, for example, under English or US law. This not only saves the parties a great deal of time, but also means lower costs for legal advice.
- German contracts are more certain and dependable. The advantage of this is that there is a comparatively low risk of lengthy and expensive legal disputes arising. Relative to its population and GNP, Germany has the lowest rate of litigation in all of Europe.
- Codification allows quick and easy access to justice. The structure of the individual provisions makes it easy to sort and search through the relevant court decisions and jurisprudential opinions. The present commentary illustrates this perfectly. The result is that the law is easily predictable, and court proceedings are comparatively short.
- In continental Europe, codification is a defining feature of a legal tradition that shapes both European law as well as UN sales law. Furthermore, many important civil law provisions are harmonised across Europe, such as those regarding the sale of consumer goods. German law therefore provides the ideal framework for businesses that operate internationally.

I am sure it will come as no surprise that Germany’s Minister of Justice is keen to promote Germany as a jurisdictional location. But you need not take my word for it. I invite you to take a closer look at German civil law with the guidance of the present commentary. Verlag C.H.Beck is one of the leading publishing houses specialised in German legal literature. Under the publisher’s aegis, a team of distinguished experts from research and practice have collaborated on a commentary of the Bürgerliches Gesetzbuch, produced for the very first time in the English language. They explain the scope, context, meaning, terminology, relevance and practical application of the provisions of the BGB. Even if you are not already familiar with German law, this commentary will help you to understand the BGB and gain an overview of current legal theory and court decisions. And perhaps you might even find some quite interesting answers to questions like: How come property loans are so cheap in

Foreword

Germany? Why is the mark-up on loans in Germany only half of what banks in the U.K. charge? What is the key to the much envied legal certainty of Germany's land law? To give you a hint: Take a look at the property-law regulations on the provision of securities and the effects of the Land Register...

I would like to thank Verlag C.H. Beck and Professors Gerhard Dannemann and Reiner Schulze as the editors of this work, as well as all the authors of the commentary. They make a vital contribution to the good reputation of German law. Their work promotes a common understanding across legal systems, and facilitates an international exchange of views and experiences amongst legal professionals. I trust that this work will make for interesting, informative – and of course very serious and efficient reading.

Christine Lambrecht
Federal Minister of Justice and Consumer Affairs

DIE FACHBUCHHANDLUNG

Preface

No other legislation can rival the *Bürgerliches Gesetzbuch* (BGB) as the embodiment of 'Law made in Germany'. Historically rooted in 19th century pandectist scholarship, it keeps a decidedly 21st century outlook due to modern reforms and the integration of consumer law.¹ No other codification has been equally relevant for legal education, legal methodology, and legal practice in Germany. It eclipses other codifications in the sheer volume of transactions and occurrences which it covers, and accompanies the population of Germany from the cradle (in § 1) to the grave (in Book 5 on successions).

Since its enactment in 1900, the BGB has inspired legislators and scholars well beyond the borders of Germany, from the early influence of the BGB on the Civil Codes of Japan, Greece and Korea up to the recent codification of the General Part of the new Chinese Civil Code. Mutual influences between the BGB and EU law, and between the BGB and the recently partially reformed French Code civil, can be added to this list.

While the BGB has been translated numerous times and into many languages, it is almost surprising that the present book is the first which attempts to provide a comprehensive and systematic explanation of the BGB and its ongoing development through courts and scholars in the modern *lingua franca*, English. The present volume covers general rules, the law of obligations and property law; the second volume will include family and inheritance law.

This book is addressed to readers who are not familiar with German law, as well as to readers who work with German private law in an English language environment. We found this to be a highly challenging task, not least because the BGB relies heavily on concepts² which are often equally difficult to translate and to explain. No doubt improvements can be made, and we are very grateful for any suggestions from our readers.

We owe an enormous gratitude all those who have made this commentary possible. It is the brainchild of Dr. Wilhelm Warth from the publishers, C.H. Beck, who provided constant and valuable support throughout, and who even compiled the index. Dr. Jonathon Watson, a true Anglo-German lawyer, played a decisive role as assistant editor. We are also very grateful to our many dedicated contributors, not only because they have written most of this book, but also for many productive discussions, and especially for their patience. We are grateful that we were allowed to use the translation of the BGB that was initially provided in 2007 for publication on gesetze-im-internet.de by Langenscheidt Translation Service and updated until 2013 by Neil Musset and Carmen v. Schöning.³ We also thank the publishers, C.H. Beck, and especially Thomas Klich, whose skill, enthusiasm and constant support is greatly appreciated. Last, but by no means least, we are very grateful to our helpful student assistants: to Christoph König for the compilation of a terminology synopsis, and to Lorenz Böttcher, Madalina Luca and Sarah Meyer for their valuable support in the editing process.

Some unplanned events have unfortunately delayed the publication of this book. The commentaries reflect the law on 31 December 2018, whereas subsequent changes in legislation were incorporated until 31 December 2019.

Introduction.....	1
--------------------------	----------

Book 1 General Part

Division 1. Persons (§§ 1–89).....	17
Title 1. Natural persons, consumers, entrepreneurs (§§ 1–20)	17
Title 2. Legal persons (§§ 21–89).....	33
Subtitle 1. Associations (§§ 21–79a)	33
Chapter 1. General provisions (§§ 21–54)	33
Chapter 2. Registered associations (§§ 55–79a)	75
Subtitle 2. Foundations (§§ 80–88).....	95
Subtitle 3. Legal persons under public law (§§ 89).....	107
Division 2. Things and animals (§§ 90–103)	108
Division 3. Legal transactions (§§ 104–185).....	122
Title 1. Capacity to contract (§§ 104–115)	123
Title 2. Declaration of intent (§§ 116–144).....	138
Title 3. Contract (§§ 145–157).....	193
Title 4. Conditions and specification of time (§§ 158–163)	209
Title 5. Agency and authority (§§ 164–181).....	215
Title 6. Consent and ratification (§§ 182–185).....	241
Division 4. Periods of time and fixed dates (§§ 186–193).....	247
Division 5. Limitation (§§ 194–225).....	255
Title 1. Subject-matter and duration of limitation (§§ 194–202)	255
Title 2. Suspension, suspension of expiry and recommencement of the limitation period (§§ 203–213).....	274
Title 3. Legal consequences of limitation (§§ 214–225).....	288
Division 6. Exercise of rights, self-defence, self-help (§§ 226–231).....	293
Division 7. Provision of security (§§ 232–240).....	299

Book 2 Law of Obligations

Division 1. Subject matter of obligations (§§ 241–310).....	309
Title 1. Duty of performance (§§ 241–292).....	309
Title 2. Default by the obligee (§§ 293–304).....	436
Division 2. Drafting contractual obligations by means of standard business terms (§§ 305–310)	442
Division 3. Contractual obligations (§§ 311–360).....	466
Title 1. Creation, subject matter and termination (§§ 311–319)	470
Subtitle 1. Creation (§§ 311–311c).....	470
Subtitle 2. Principles applying to consumer contracts; particular types of sale (§§ 312–312k)	483
Chapter 1. Scope of application and principles applying to consumer contracts (§§ 312–312a).....	483

Table of Contents

Chapter 2. Off-premises contracts and distance contracts (§§ 312b–312h).....	489
Chapter 3. Contracts in electronic commerce (§§ 312i–312j).....	498
Chapter 4. Deviating agreements and burden of proof (§§ 312k).....	502
Subtitle 3. Adaption and ending of contracts (§§ 313–314).....	503
Subtitle 4. Unilateral rights to specify performance (§§ 315–319).....	513
Title 2. Reciprocal contracts (§§ 320–327).....	521
Title 3. Promise of performance to a third party (§§ 328–335).....	541
Title 4. Earnest, contractual penalty (§§ 336–345).....	553
Title 5. Revocation; right of withdrawal in consumer contracts (§§ 346–361).....	564
Subtitle 1. Revocation (§§ 346–354).....	564
Subtitle 2. Right of withdrawal in consumer contracts (§§ 355–361).....	581
Division 4. Extinction of obligations (§§ 362–397).....	616
Title 1. Performance (§§ 362–371).....	616
Title 2. Deposit (§§ 372–386).....	633
Title 3. Set-off (§§ 387–396).....	648
Title 4. Forgiveness (§ 397).....	663
Division 5. Transfer of a claim (§§ 398–413).....	665
Division 6. Assumption of debt (§§ 414–419).....	697
Division 7. More than one obliger and obligee (§§ 420–432).....	707
Division 8. Particular types of obligations (§§ 433–853).....	732
Title 1. Purchase, exchange (§§ 433–480).....	732
Subtitle 1. General provisions (§§ 433–453).....	732
Subtitle 2. Special types of purchase (§§ 454–473).....	802
Chapter 1. Purchase on approval (§§ 454–455).....	802
Chapter 2. Repurchase (§§ 456–462).....	804
Chapter 3. Preemption (§§ 463–473).....	809
Subtitle 3. Purchase of consumer goods (§§ 474–479).....	816
Subtitle 4. Exchange (§ 480).....	833
Title 2. Time-share agreements, contracts relating to long-term holiday products, brokerage contracts and exchange system contracts (§§ 481–487).....	834
Title 3. Loan contract; financing assistance and contracts for delivery by instalments between an entrepreneur and a consumer (§§ 488–515).....	846
Subtitle 1. Loan contract (§§ 488–505e).....	846
Chapter 1. General provisions (§§ 488–490).....	846
Chapter 2. Special provisions for consumer credit agreements (§§ 491–505e).....	857
Subtitle 2. Financing assistance between an entrepreneur and a consumer (§§ 506–509).....	906
Subtitle 3. Contracts for delivery by instalments between a trader and a consumer (§ 510).....	913
Subtitle 4. Advisory services in real estate consumer credit contracts (§ 511).....	915
Subtitle 5. Mandatory nature, application to founder of new business (§§ 512–513).....	916
Subtitle 6. Gratuitous credit agreements and gratuitous financing assistance between a trader and a consumer (§§ 514–515).....	918
Title 4. Donation (§§ 516–534).....	920
Title 5. Lease, usufructuary lease (§§ 535–597).....	937
Subtitle 1. General provisions for leases (§§ 535–548).....	937
Subtitle 2. Leases for residential space (§§ 549–577a).....	961
Chapter 1. General provisions (§§ 549–555).....	961
Chapter 1a. Structural maintenance and modernisation measures (§§ 555a–555f).....	968
Chapter 2. Rent (§§ 556–561).....	972
Subchapter 1. Agreements on rent (§§ 556–556c).....	972
Subchapter 1a. Agreements on rent amount upon commencement of a lease in areas with an overstretched housing market (§§ 556d–556g).....	977
Subchapter 2. Provisions on the rent amount (§§ 557–561).....	981

List of Authors

Anna-Maria Beesch is a lawyer and specialist lawyer (*Fachanwalt*) for banking and capital market law in Frankfurt am Main. She is active both in an advisory and litigation capacity with focus on banking law, in particular payment services law, in her own 'Rechtsanwaltskanzlei Dr. Beesch'. She is co-editor of the 'juris PraxisReport Bank- und Kapitalmarktrecht' (jurisPR-BKR), contributor to several BGB-commentaries and author of numerous journal articles. [§§ 675c–676c]

Michael Beurskens is Professor of Civil Law, German, European and International Business Law at the University of Passau. His research interests cover the law of digitalisation and artificial intelligence, as well as the traditional areas of corporations, contracts, intellectual property, and antitrust. [§§ 1–89]

Kai Birke is partner and head of Banking & Finance practice at Gleiss Lutz in Frankfurt am Main. He specialises in banking, finance and capital markets. He holds a doctorate (Dr. iur.) from the University of Bonn. [§§ 780–811]

Jonas David Brinkman is a post-doctoral researcher (*Habilitand*) at the Faculty of Law, Bielefeld University. He studied law in Bielefeld (Dr. iur.) and Berlin. [§§ 1094–1203]

Gerhard Dannemann is Professor of English Law, British Politics and Economy at the Humboldt University of Berlin, and Visiting Research Fellow at the Institute of European and Comparative Law, University of Oxford. His research interests include the law of obligations, comparative law, private international law, and good academic practice. [Introduction, 516–534 (both parts jointly with Reiner Schulze), §§ 662–675b, 677–687, 812–822, 985–1003]

Daniel Effer-Uhe completed his post-doctoral qualification (*Habilitation*) at the University of Cologne, where he received the *venia legendi* for civil law, civil procedure, legal theory, Roman law and legal psychology. He is currently *Privatdozent* at Leipzig University. [§§ 186–240 (jointly with Alica Mohnert)]

Matthias Fervers is a post-doctoral researcher (*Habilitand*) at the Faculty of Law, Ludwig-Maximilians-University of Munich. His research and publications focus on civil law, civil procedure law, European private law, international private law and comparative law. [§§ 631–661a]

Robert Freitag is Professor of German and European Civil and Commercial Law and Director of the Center for Banking and Capital Markets Law at the Friedrich-Alexander-University Erlangen-Nuremberg as well as judge at the Higher Regional Court (*Oberlandesgericht*) at Nuremberg. His main research interests are in the fields of corporate and commercial law (with a focus on banking and finance), the law of obligations and private international law. [§§ 705–758, 1008–1017 (jointly with Constanze Ort)]

Martin Fries is *Privatdozent* at the Ludwig-Maximilians-University of Munich. His main research interests are in the fields of private law, civil procedure, and legal technology. [§§ 305–310, 312–312k]

Leonhard Hübner is a post-doctoral researcher (*Habilitand*) at the Institute for Comparative Law, Conflict of Laws and International Business Law at Heidelberg University. He studied law in Cologne, Heidelberg (Dr. iur.) and Oxford (MJur). [§§ 535–610]

Annette Keilmann is a lawyer at Baker McKenzie in Frankfurt am Main. Her practice focuses mainly on national and international disputes relating to construction, mechanical engineering and commercial lease (with particular focus on plant construction and infrastructure projects). She holds a doctorate (Dr. iur.) from the University of Mannheim [§§ 420–432 (jointly with Maximilian Sattler)]

Sörren Kiene studied law at the University of Münster (Dr. iur.) and is a partner at BRANDI Rechtsanwälte in Gütersloh. His main areas of practice are in international commercial law, agency law as well as distribution law. He is a specialist lawyer (*Fachanwalt*) for international business law and is also a qualified solicitor (England & Wales). [§§ 759–779 (jointly with Nils Wiggingshaus)]

Anna Kirchhefer-Lauber studied law at the University of Münster (Dr. iur.) and the Universities of Bristol (LL.M.) and Oxford. She is an experienced lawyer specialising in medical law and is dedicated to lectures and research. She is also a member of the ethics committee of the University of Münster. [§§ 630a–630h]

Roland Kläger is a partner of Haver & Mailänder in Stuttgart specialising in international arbitration and complex litigation. He studied law in Freiburg and Tübingen (Dr. iur.), previously was a research fellow at the University of Freiburg and a visiting fellow at the Lauterpacht Centre for International Law of the University of Cambridge. [§§ 946–984]

List of Authors

Lorenz Krämer is a researcher at the Chair of Civil Law, Private International Law and Comparative Law, Friedrich-Alexander-University of Erlangen-Nuremberg; he is currently completing his doctoral thesis in the fields of international commercial arbitration and European private international law. [§§ 488–515]

Robert Magnus is Professor of German and International Civil Procedure Law and German Civil Law at the University of Bayreuth. His research interests focus primarily on European civil procedure law, conflict of laws, and family and succession law. [§§ 90–103, 854–872]

Ulrich Magnus is Professor emeritus at the University of Hamburg and presently research affiliate at the Max Planck Institute for Comparative and International Private Law. His main focus is on comparative and European law of obligations, in particular tort law, international and uniform sales law as well as on private international law. [§§ 249–254, 823–853, 1004–1007]

Caroline Meller-Hannich is Professor of Civil Law, Civil Procedure Law and Commercial Law at the Martin-Luther-University Halle-Wittenberg. Her research focuses on national and international civil procedure law, including enforcement and insolvency law, as well as European private law and especially consumer protection law. [§§ 903–945]

Alica Mohnert is a researcher at a major German law firm and a lecturer on legal psychology at the Heinrich Heine University Düsseldorf, the German University of Administrative Sciences Speyer, and the University of Siegen. She specialises in civil law, tort law, IT law, and corporate law; having studied at the University of Cologne and the China University of Political Science and Law, she holds graduate degrees in psychology (German diploma), law (state examination) and Chinese law (LL.M.). [§§ 186–240 (jointly with Daniel Effer-Uhe)]

Evelyn Oehm is a judge at the Regional Court (*Landgericht*) in Frankfurt am Main. She practices in a civil chamber focusing on insurance law in first instance and appeal cases. She studied law at the Johannes Gutenberg University Mainz and at King's College London (LL.M.). [§§ 362–397]

Max W. Oehm is a lawyer at Baker McKenzie's Dispute Resolution Practice in Frankfurt am Main. He focuses on international arbitration and ADR in infrastructure projects and post-M&A disputes. He studied at the Johannes Gutenberg University Mainz (Dr. iur.) and the Boston University School of Law (LL.M.). He teaches negotiation skills at the University of Mannheim. [§§ 313–345]

Constanze Ort studied law (Dr. iur.) at the Friedrich-Alexander-University Erlangen-Nuremberg and the Maurice A. Deane School of Law at Hofstra University (LL.M.). She worked as a researcher at the chair for German, European and International private and commercial law at the Friedrich-Alexander-University Erlangen-Nuremberg. [§§ 705–758, 1008–1017 (jointly with Robert Freitag)]

Stefanie Risse is a lawyer in Münster and a registered lawyer in Spain. She studied law at the University of Münster and at the Complutense University of Madrid (MDC). Her field of activity is in European law, in particular real estate and travel law. [§§ 481–487]

Caroline Sophie Rupp is Junior Professor of Civil Law, European and International Private and Procedural Law and Comparative Law, particularly European Property Law at the Julius-Maximilians-University of Würzburg. Her main research interests are in the fields of property law (in particular secured transactions law), European private law and legal harmonisation, private international law and international civil procedure. [§§ 1204–1296]

Ingo Saenger is Professor of Civil Law, Procedural Law and Company Law and Director of the Institute for International Business Law at the University of Münster. His main research interests are in the fields of company law (corporations/mergers & acquisitions/corporate governance), procedural law, international sales law and European law. [§§ 454–473, 480 (both parts jointly with Jonathon Watson)]

Adam Sagan is Professor of Civil Law and European and German Labour Law at the University of Bayreuth. His main research interest is European labour law. [§§ 611–630 (jointly with Stephan Seiwert)]

Maximilian Sattler is a senior associate at Baker McKenzie in Frankfurt am Main and practices in the areas of domestic and international commercial litigation and arbitration. He holds a doctorate (Dr. iur.) from the Goethe University Frankfurt [§§ 420–432 (jointly with Annette Keilmann)]

Renate Schaub is Professor of Civil Law, Private International Law, Comparative Law, Commercial and Economic Law at the Ruhr University Bochum. Her main areas of research are private law (with a focus on the law of obligations), private international law, comparative law (with a focus on Anglo-American Law) and commercial law (especially law of unfair competition and intellectual property law). [§§ 433–453, 474–479]

List of Authors

Johanna Schmidt-Räntsch is vice-presiding judge at the Vth Civil Senate of the Federal Court of Justice (*Bundesgerichtshof*), which is competent for sales of real property, real property, condominium and forced execution law. Her research interests extend further to general contract law and judges' professional law. She is also Honorary Professor at the Humboldt University of Berlin, where she teaches contract, sales of goods and property law. [§§ 1018–1093]

Reiner Schulze is emeritus Professor of German and European civil law and Director of the Centre of European Private Law at the University of Münster. His main research interests are in the fields of European business law, the law of obligations (in particular contract law and tort law) and international contract law. [Introduction, 516–534 (both parts jointly with Gerhard Dannemann), §§ 241–248, 255–304, 311–311c]

Stephan Seiwert is a post-doctoral researcher (*Habilitand*) at the Institute for German and European Labour and Social Security Law at the University of Cologne. His research interests are in the fields of the law of obligations, labour law, social security law and EU law. [§§ 611–630 (jointly with Adam Sagan)]

Christian Uhlmann studied law at the Johannes Gutenberg University Mainz, Heidelberg University (Dr. iur.) and Cornell University (LL.M.). He currently is a post-doctoral researcher (*Habilitand*) at the Institute for Comparative Law, Conflict of Laws and International Business Law at Heidelberg University. [§§ 398–413]

Daniel Ulber is Professor of Civil Law, Company Law and Labour Law at the Martin-Luther-University Halle-Wittenberg. His main research interests are in the fields of European and international labour law. [§§ 688–704]

Hannes Wais is a post-doctoral researcher (*Habilitand*) at the Institute for Comparative Law, Conflict of Laws and International Business Law at Heidelberg University. He studied law in Heidelberg (Dr. iur.) and Cambridge (LL.M.). [§§ 104–185]

Jonathon Watson studied English law in Liverpool and German law in Münster (Dr. iur., LL.M.). His main research interests are in the fields of comparative law, consumer law, European contract law and international sales law [§§ 355–361; 454–473, 480 (both parts jointly with Ingo Saenger)]

Matthias Wendland studied law in Munich (Dr. iur.) and at Harvard (LL.M.). He completed his post-doctoral qualification (*Habilitation*) at the Ludwig-Maximilians-University of Munich where he received the *venia legendi* for civil law, civil procedure law, international private law, comparative law, legal philosophy and legal sociology. His research focuses on European contract and consumer protection law, international contract law, the law of obligations (in particular the law of unfair general terms and conditions) and the emerging field of the law of digitalisation. [§§ 346–354, 414–419]

Catherine Westerwelle is partner at Aderhold Rechtsanwälts-gesellschaft GmbH in Dortmund. She mainly advises on commercial law and real estate law and is a lecturer in the master's degree programme 'Commercial Law' at the University of Münster (JurGrad gGmbH). [§§ 873–902]

Nils Wiggighaus is a partner at BRANDI Rechtsanwälte in Gütersloh where he mainly advises on corporate law. He is a specialist lawyer (*Fachanwalt*) for international business law and is also qualified as a notary (*Notar*). He studied law at the University of Konstanz (Dr. jur.) and is a frequent guest lecturer on cross-border contract drafting at the University of Konstanz and at the Humboldt University of Berlin. [§§ 759–779 (jointly with Sörren Kiene)]
