Preface

Despite the internationalisation and harmonisation of law, national laws still play a significant role in international trade and commerce. This is particularly true for German commercial and contract law, as German manufacturers and intermediaries continuously enter into contracts with customers and suppliers from all over the world thereby choosing German law to govern their contractual relationships.

My aim with this second edition is to offer a practice-oriented summary of important aspects of German commercial and contract law and to provide both non-German and German businesspersons and lawyers with a quick and practical overview. At the same time, this book serves as a reference work for specific issues that often arise in business relations, in particular in the field of commercial and distribution law.

This book also contains relevant statutory materials such as important provisions of the German Commercial Code, the German Product Liability Act and the Supply Chains Due Diligence Act. Whereas translations of the German Civil Code are publicly available, this is not the case for the German Commercial Code or the Supply Chains Due Diligence Act. For the user's convenience, a German-English glossary with definitions and corresponding translations of some of the most important legal terms is attached at the end of the book.

Author

Rechtsanwalt **Dr. Marius Mann**, born 1979, studied law at the Universities of Constance, Heidelberg and Oxford (M. Jur. 2008). He holds an MBA from the Swiss EGSM. Dr. Mann practises as a lawyer in Stuttgart and advises clients – from the automotive, machine building, service and wholesale industry in particular – on commercial and contract law matters. He has considerable experience in related commercial litigation and arbitration, including the settlement of cross-border disputes, and disputes in the field of distribution, product liability, logistics, and plant construction.

Introductory remarks	XXXIII

PART I COMMERCIAL CONTRACTS IN GERMANY

Chapter 1. Fundamentals of the law of contracts	1
A. Introduction	1
B. Formation of contracts	2
I. Offer and acceptance	2
1. Definition	2
2. Offer	3
3. <i>Essentialia negotii</i>	3
4. Acceptance	3
II. Intent of legal responsibility	4
III. Silence as a declaration of intent	4
1. General principle	4
2. Silence in commercial relations	5
3. Commercial letter of confirmation	5
IV. Agency	5
1. Elements of agency	6
2. General commercial authority	7
3. Apparent and tolerated authority	7
a) Apparent authority	7
b) Tolerated authority	7
4. Agency and certain types of distribution	8
5. Unauthorised agency	8
V. Legal capacity; capacity to contract	8
1. Beginning and end	8
2. Definition	8
VI. Multilateral agreements	9
C. Paving the way for a contract	9
I. Contract design	9
II. Contract negotiation	10
III. Letter of intent	11
IV. Pre-contract	11
V. Option contract	12
VI. <i>Culpa in contrahendo</i> and abandonment of negotiations	12

Table of contents

D. Ineffectiveness	12
I. Form requirements	13
1. General	13
2. Types	13
3. Functions	13
4. Extent	13
5. Legal consequences	14
II. Statutory prohibitions	14
III. Legal transaction contrary to public policy	14
IV. Lack of seriousness and sham transaction	15
V. Avoidance	15
1. Mistake	16
a) Content and meaning	16
b) Expression	16
c) Characteristics	16
d) Transmission	17
2. Deceit or duress	17
a) Deceit	17
b) Duress	17
3. Period for declaration of avoidance	18
VI. Invalidity and partial invalidity	18
E. Execution	18
I. Performance of obligations	18
1. Types of obligations	18
2. Claim for performance	19
a) Sub-contracting	19
b) Main contractor	19
II. Written and unwritten contractual obligations	19
1. Mandatory law	19
2. Subsidiary and protective obligations	20
III. Gaps and interpretation	20
1. Interpretation	20
2. Standard of interpretation	20
3. Four-step test	21
4. Legal assumptions	21
IV. Contract types	21
1. Contract types provided by law	21
2. Developed contract types	21
V. Modification and change	22
1. Contract modifications	22
2. Contract change clauses	22
3. Price index clauses	22
4. Doctrine of interference with the basis of transaction	23
5. Price adaption in times of Covid-19, armed conflict, and inflation	23
F. Extinction and termination	24
I. Extinction by performance, impossibility, and set-off	24
II. Revocation, rescission, and cancellation	24
1. Revocation	24
2. Rescission	24
3. Cancellation	25

Table of contents

III.	Notice of termination	25
1.	General	25
2.	Types of termination	26
a)	Ordinary notice of termination	26
b)	Extraordinary notice of termination without notice period	26
c)	Good reason	26
d)	Extraordinary termination with notice period	27
3.	Declaration of termination	27
a)	Requirements	27
b)	Pitfalls when declaring termination	27
4.	Form	28
5.	Proper authorisation	28
a)	General	28
b)	Exclusion of the right to reject	28
c)	Conditions of § 174 BGB	29
d)	Rejecting the rejection	29
6.	Transmission of notice of termination	29
a)	Courier	30
b)	Registered letter	30
c)	Ordinary letter	30
d)	Email	30
e)	Delivery by hand	31
IV.	Limitation	31
1.	Definition of claim	31
2.	Standard limitation period	31
3.	Commencement of limitation	32
4.	Suspension and recommencement	32
a)	Suspension	32
b)	Recommencement	33
5.	Deviating agreement	33
G.	Contracts in the digital age	33
Chapter 2. Standard terms and conditions		35
A.	Introduction	35
B.	The German test of reasonableness	35
C.	Scope of application	36
I.	Standard contract terms	36
II.	Pre-formulation	36
III.	Intended for repeated use	37
IV.	Imposing standard terms	37
V.	The test of reasonableness among entrepreneurs	38
D.	Conflicting standard terms and conditions	38
E.	Content that can be subject to the test of reasonableness	39
F.	Typical standard terms in commercial contracts	39
G.	Legal consequences of unfair standard terms	41
H.	Carrying out the test of reasonableness	42
I.	Circumvention of the test of reasonableness	43
J.	How do standard terms and conditions become part of the party's agreement?	44
K.	Inclusion of standard terms and conditions in b2b contracts in practice	44
L.	Pros and cons of the test of reasonableness	47

Table of contents

Chapter 3. Contracts in corporate crisis and insolvency	48
A. Introduction	48
B. General synopsis of insolvency proceedings	48
I. Filing for insolvency	48
1. Obligation to file	48
2. Time period	49
3. Signs of a corporate crisis	49
II. Reasons to file a request for insolvency	50
1. Imminent illiquidity	50
2. Illiquidity	50
3. Overindebtedness	50
III. Legal consequences of a breach of the obligation to file a request for insolvency	50
1. Civil law sanctions	51
2. Criminal law sanctions	51
IV. Preliminary insolvency proceedings	51
1. Preliminary insolvency administrator	51
2. Obligations of the weak insolvency administrator	52
3. Insolvency payments	52
4. Supplier risks	52
V. Opening of insolvency proceedings	52
1. Insolvency administrator's competence	52
2. Insolvency administrator's option of performance	53
VI. Right to contest and annul previous transactions	53
VII. Treatment of claims in insolvency proceedings	54
1. Separation and preferential rights	54
2. Claims against the insolvency estate	54
3. General insolvency claims	54
4. Subordinated creditors	55
VIII. Creditors' participation in the insolvency proceeding	55
1. Registrations of claims	55
2. Creditors' meeting	55
3. Creditors' committee	56
C. Protective measures of creditors	56
I. Retention of title	56
II. Privileged cash transaction	57
III. Prepayment	57
IV. Individual court authorisation	57
Chapter 4. International contract law	58
A. Introduction	58
B. Sources of law	58
I. United Nations Convention on Contracts for the International Sale of Goods (CISG)	58
1. Scope of application	59
a) Sale of goods	59
b) Internationality	59
c) CISG not suspended	59
2. Scope of CISG regulation	60
a) Regulated issues	60
b) Unregulated issues	60

Table of contents

3. Differences between German sales law and CISG	60
II. EU Directive on Contracts for the Supply of Digital Content and Digital Services.....	61
III. Incoterms 2020	61
1. Definition	61
2. Origin	62
3. Scope	62
4. Classification	62
C. Determining the applicable law.....	62
I. Step 1: identifying the jurisdiction	63
II. Step 2: determining the applicable substantive law	63
1. Rome I Regulation.....	63
2. Choice of law	64
III. Freedom of choice of law and its limitations	64
1. General principle	64
2. Limitation pursuant to Article 3(3) Rome I Regulation	65
3. Limitation pursuant to Article 3(4) Rome I Regulation	65
4. Limitation pursuant to Article 9(2) Rome I Regulation	65
5. Exclusion of restraints in arbitration	65
D. Brexit woes	66
I. Anti-suit injunction	66
II. <i>Forum non conveniens</i>	66
III. Contractual agreement on the choice of court	67
IV. Applicable substantive law	67
V. Recommendations	67
E. Made in Germany: reasons for the choice of German law	68
I. Predictability	68
II. Default rules	68
III. Low costs	68
IV. Efficient law enforcement	69
Chapter 5. Dispute settlement	70
A. Litigation vs arbitration	70
I. Litigation	70
1. Appeals system	70
2. Multi-party disputes	71
3. More comprehensive powers of judges to conduct the proceedings	71
II. Arbitration	71
1. Confidentiality	71
2. Neutrality of forum	72
3. Efficiency of arbitration and enforceability of arbitral awards	72
4. Flexibility	73
III. Litigation or arbitration?	73
1. Considerations	73
2. Arbitration clause	73
3. Jurisdiction clause	74
a) Domestic business relationships	74
b) Cross-border business relationships	74
B. Collective redress	74

Table of contents

Chapter 6. Purchase agreement	76
A. Introduction	76
B. Basic principles	76
I. Essential content	76
II. Form	76
III. Object of the purchase agreement	77
IV. Special types of sale	77
V. Specific provisions of commercial law	77
C. Rights and obligations	78
I. Seller	78
1. Handing over the purchased item	78
a) Place and time of performance	78
b) Costs	78
2. Providing ownership	78
3. Absence of defects	79
a) Free from defects	79
b) Party agreement	79
c) Suitability for intended use	79
d) Suitability for customary use	79
e) Burden of proof	80
II. Buyer	80
1. Payment and acceptance of the delivery	80
a) Purchase price	80
b) Mode of payment	80
c) Problem in invoice	81
d) Acceptance of delivery	81
2. Examination of goods and objection to defects	81
a) Scope of application	81
b) Prompt examination	81
c) Timeline	81
d) Extent of examination	82
e) Objection to defects	82
f) Legal consequences of omission	82
g) Contractual alteration	83
D. Buyer's claim for rectification of defective goods	83
I. Rectification of defects	83
II. No self-remedy	84
III. Rescission	84
IV. Price reduction	84
V. Exclusion	84
VI. Limitation	85
E. Deviating agreement from the statutory warranty regime	85
I. Lump sum payments for damages	85
II. Additional checks and controls	86
III. Rejection of future deliveries	86
IV. Self-remedy of defects	87
F. Guarantee	87
G. Entrepreneurial recourse in the supply chain	88
I. General principle	88
1. No requirement to set a time limit	88

Table of contents

2. Reversal of burden of proof	88
II. Limited scope of application	89
III. Limitation	89
IV. Entrepreneurial recourse for digital products.....	89
Chapter 7. Product liability.....	90
A. Sources of law	90
B. Civil product liability	91
I. Conditions and legal consequences of the Product Liability Act.....	91
1. Conditions	91
2. Capping	91
3. Definition of product	91

Introductory remarks

Commercial contracts play a significant and substantial role in the regulation of trade and mercantile relations. The number of commercial contracts concluded in national and international trade exceeds most other contract forms. Commercial contracts such as purchase agreements, framework and supply agreements, commercial agency agreements, distribution and authorised dealer agreements, commission agency agreements, franchise agreements, transport agreements, and warehousing agreements are discussed in this manual. These types of contracts all regulate – directly or indirectly – the distribution of goods (and in some cases, services as well). Supplemental agreements such as pre-contracts, option contracts, quality assurance agreements, confidentiality agreements or standard terms and conditions are not commercial contracts in the narrow sense as they do not govern the procurement, exchange or supply of goods. They are, however, often concluded together with commercial contracts and are therefore also discussed in this manual.

The law of commercial contracts consists of general contract law, including the law of standard terms and conditions, which is regulated in the Civil Code (*Bürgerliches Gesetzbuch* – BGB). Yet, German law also provides specific sets of rules for specific contract types which are either regulated in the BGB and the Commercial Code (*Handelsgesetzbuch* – HGB) or are developed by court practices.

This manual first discusses how commercial contracts may be concluded validly, then elaborates on specific contracts on the supply and procurement of goods, and finally discusses contracts governing logistics. In addition to typical issues that may arise when negotiating and concluding commercial contracts, this manual also goes beyond mere contract law into areas important to many commercial players such as insolvency or competition law.
