[beck-shop.de](https://beck-shop.de)

Die Online-Fachbuchhandlung [beck-shop.de](https://beck-shop.de) steht für Kompetenz aus Tradition. Sie gründet auf über 250 Jahre juristische Fachbuch-Erfahrung durch die Verlage C.H.BECK und Franz Vahlen.

[beck-shop.de](https://beck-shop.de) hält Fachinformationen in allen gängigen Medienformaten bereit: über 12 Millionen Bücher, eBooks, Loseblattwerke, Zeitschriften, DVDs, Online-Datenbanken und Seminare. Besonders geschätzt wird [beck-shop.de](https://beck-shop.de) für sein

umfassendes Spezialsortiment im Bereich Recht, Steuern und Wirtschaft mit rund 700.000 lieferbaren Fachbuchtiteln.

# Index

## A

abolition of compulsory set-aside 392  
absolutely inferior 46  
absolutely superior demand 46  
absolutely "true" statements 5  
absolute saturation quantity 45  
absolute stabilization 303  
actors of agricultural policy 229  
actual production costs 114  
additional governance problems 385  
adequate standard of living 228  
adjustment aid 315  
ad valorem duties 266  
ad valorem tariff rates 192  
Agenda 2000 349, 385  
agricultural market knowledge 3  
agricultural market policy 3  
agricultural policy competence 229  
agricultural reform of 2003 389  
aid 315  
aid for sectors with special problems 392  
Amoroso-Robinson relation 43  
animal premiums 315  
annual agricultural price rounds 379  
annual supply plan 378  
appreciation 127  
arc elasticity 42  
area premiums 315  
armchair milkers 314  
arrow paradox 161  
article 110 of the EEC Treaty 382  
article XVI:3 185

## B

bans on placing products on the market 267  
benchmark 223  
breeding ground for speculation 173  
bribes 231  
bubbles in world agricultural prices 174  
Budgetary Principles Act 239, 247  
budget line 27

## C

capital deepening 124  
capital expansion 124  
cardinally 165  
cassis de dijon judgment 289  
ceteris paribus analysis 26

change in demand 31  
change in the demanded quantity 31  
characteristics "good" theories 7  
cif price 127  
cobb-douglas production function 323  
community preference 381  
comparative costs 336  
compatibility of objectives 222  
compensation payments 316  
competition between the objectives 222  
complementarity between the objectives 222  
condorcet paradox 161  
confidence good 17  
conflict of objectives 222  
consensus-finding costs 162  
constraints on policy makers 185  
consumer surplus 248  
consumption subsidies 201  
contribution margin 319  
cost-based pricing 116  
cost-benefit analysis 239  
costs of monitoring and enforcing 74  
Council of Agriculture Ministers 350  
Council of Ministers 233, 235, 347  
Council of the European Union 233, 347  
credit subsidies 316  
cross-compliance of payments 390

## D

decisions 235  
decoupled direct payments 186  
deductive approach 4  
definition of practical agricultural policy 3  
degree of self-sufficiency 56  
democracy (voting) 159, 160  
dependent variable 32  
derived demand 60  
destabilization of world market prices 280  
determining a disparity in income 208  
devaluation 127  
diagnosis 245  
diagnosis of agricultural policy 2  
diesel consumption 266  
differential profits 113

- differentiation of the direct payments
    - into basic and environmental payments 394
  - direct income transfers 315
  - directive 235
  - direct or indirect impact on market outcomes 265
  - direct price elasticity 32
  - discretionary decisions 260, 352
  - dismantling of market interventions 390
  - divergences in production 104
  - double majority 352
  - driving force 232
- E**
- ecologically produced food 59
  - efficiency enhancing instruments 247
  - efficiency-impairing instruments 247
  - efficiency in agriculture 180
  - empirical test 6
  - engel curve 45
  - entitlement for payments 198
  - environmental concerns 183
  - equilibrium 26
  - essential for national interests 379
  - European Commission 347
  - European Council 232
  - European Court of Auditors 353
  - European Court of Justice 236, 347, 353
  - European Parliament 347
  - everything But Arms Agreement 244
  - exchange rate 127
  - exogenous variable 32
  - expected external costs 412
  - experience good 17
  - export licenses 266
  - export refund 290
  - export subsidies 266
  - extension of the price structure 135
  - externalization 71
  - externalization of national costs 238
- F**
- factor-linked subsidies 316
  - falsification 6, 7
  - falsification attempt 7
  - falsified 5
  - financial solidarity 357, 381
  - fob price 127
  - Follower effect 24
  - food demand at consumer level 20
  - food safety concerns 183
  - food self-sufficiency 178
  - food traceability act 267
  - foundations of agricultural market analysis 3
  - framework law 235
  - fraudulent machinations 262
  - free and regulated markets 107
  - functional distribution of income 320
  - functionless price fluctuations 299
  - fundamental factors 165
  - futures exchanges 171
- G**
- GATT 185, 244
  - general equilibrium models 257
  - german agriculture act of 1955 379
  - greater flexibility in the use of the national allocation for direct payments 394
  - guidelines 235
  - guide prices 379
- H**
- habitual behavior 21, 23
  - harmonize state intervention 378
  - harmony between the objectives 222
  - heterogeneous good 48
  - hierarchy (bureaucracy) 159, 164
  - homogeneous good 48
  - horizontal objective relationship 222
  - hormone-treated meat 288
  - hypotheses 5
- I**
- identification and quantification of the costs 223
  - identity of objectives 222
  - importance of factor intensities 69
  - importance of international agreements 401
  - importance of technological progress 69
  - importance of the reference system 263
  - import bans 266
  - import licenses 266
  - import quotas 266
  - impulse or affect behavior 21
  - Impulse or affect behavior 23
  - incentives to reduce customs payments 280
  - income effect 28
  - income-elastic demand 46
  - income-inelastic demand 46
  - independent variable 32
  - indifference curve 27
  - indirekt price elasticity (= cross price elasticity) 32
  - inductive method 4
  - institutional framework 348
  - instruments of stabilization 300
  - instruments with zero-sum outcome 247
  - interdependence costs 162
  - interregional price differences 137

intersubjective comparisons of utilities 10  
 inter-subjectively comprehensible 264  
 intersubjectively comprehensible 8  
 intersubjectively incomprehensible. 8  
 intersubjectively verifiable 8  
 intertemporal stocks 61  
 intervention price 249, 379  
 intervention purchases 195  
 introduction of the sugar market quota system 379  
 Investment subsidies 316  
 irregularities 262  
 isoelastic demand curves 35

**K**

K. Popper 5

**L**

laws for market regulations 378  
 less-favored regions 316  
 levies 266  
 limited 22  
 limited mental capacity 22  
 logical consistency 6  
 loss of welfare due to trade restriction 74  
 luxembourg compromise 234, 379

**M**

macroeconomic shadow prices 73, 271  
 MacSharry reform 261  
 marginal costs equal price 79  
 marginal expenditure 40, 41, 42  
 marginal productivity. 61  
 marginal productivity function 61  
 marginal profit of factor 63  
 margin per unit 131, 132  
 market equilibrium 108  
 market failure 59, 245, 323  
 market-incompatible instrument 384  
 market-incompatible measures 246  
 measure of performance 246  
 minimum import price 284  
 minimum market access 269, 285  
 minimum market access regulations 266  
 mixed tariffs 266  
 modulation 390  
 monetary demand 21  
 monetary illusion 49  
 multiple farm expansion 114  
 multi-product market models 257

**N**

naive 195  
 negative terms of trade effect 251  
 negotiation and decision costs 74  
 negotiations 159

new political economy 331  
 nominal protection rates 269  
 non-tariff barriers to trade 283  
 non-tradable goods 127  
 normative analysis 2

**O**

objectives are independent 222  
 objectivity of scientific research 8  
 optimal farm size 114  
 ordinally 165  
 Ordnungspolitik 246  
 organized and non-organized markets 107

**P**

pareto optimum 157  
 parity prices 128  
 partial factor demand curve 64  
 path dependency of the CAP 199  
 perfect and imperfect markets 106  
 permanent representation in Brussels 232  
 per unit area payments 316  
 pillar 2 of agricultural policy 349  
 policies' feasibility 262  
 policy failures 351  
 political prices 349  
 practical agricultural policy 2  
 precondition for scientific progress 7  
 preference for agricultural products 357  
 preferential access 193  
 preferential agreements 266, 287  
 preliminary valid 7  
 premises 5  
 price and volume effects of subsidies 316  
 price compensation payments 315  
 price elasticity and rising income 35  
 price elasticity of demand 31  
 price flexibility 38  
 price floor 110  
 price stabilization functions 172  
 price structure 130  
 price taker 189  
 price takers 61  
 primary distribution of income 323  
 primary income distribution 247  
 principle of equivalence 246  
 private demand curve 71  
 probable external costs 162  
 producer subsidy estimates 340  
 producer surplus 248  
 production function 61  
 production quotas 200  
 productivity 128  
 product-linked subsidy 316  
 promoting consumer advice 268

property-rights intensive 180  
 protection coefficient 333

**Q**

qualified majority 352  
 qualified majority voting 379  
 quantitative duty 268  
 quantity adjusters 61  
 quantity structure 130

**R**

rational behavior 21  
 rational policy 221  
 raw material incidence 281  
 reasonable prices 229  
 reasons for policy changes 242  
 reasons for the primacy of the economic  
   theory of demand 25  
 rebate 411  
 reference prices 379  
 reference system 223  
 Referenzsituation 263  
 Referenzsystem 263  
 regional integration schemes 177  
 regulations 235  
 regulatory classification 246, 271, 312  
 regulatory classification of selected  
   subsidies 324  
 relatively large country 244  
 relatively small country 73  
 relative stabilization 303  
 relevant market 105  
 representative world market price 284  
 residual income 113  
 rules for trade 177  
 rules of thumb 22  
 rural development policy 203

**S**

sanctions 262  
 sanitary and phytosanitary barriers to  
   trade 288  
 scientific agricultural policy 2  
 search and information costs 74  
 search Good 17  
 second pillar of agricultural policy 316  
 second pillar of EU agricultural policy  
   386  
 sectoral exchange ratio 126  
 sectoral terms of trade 126  
 security of supply 229
