

Contents

<i>Contributors</i>	xi
<i>Preface</i>	xiv
<i>Acknowledgments</i>	xvii

section **I** Diagnostics

<i>chapter</i> 1 Oral Exam and Charting	5
<i>chapter</i> 2 Periodontal Probing	16
<i>chapter</i> 3 Transillumination	24
<i>chapter</i> 4 Intraoral Radiology	28

section **II** Techniques

<i>chapter</i> 5 Complete Dental Cleaning	61
<i>chapter</i> 6 Root Planing: Periodontal Pocket Therapy	69
<i>chapter</i> 7 Gingival Flaps	79
<i>chapter</i> 8 Extraction Technique	95
<i>chapter</i> 9 Oral Pain Management	115

section **III** The Practice of Dentistry

<i>chapter</i> 10 The Business of Dentistry	125
<i>chapter</i> 11 Technicians and Dentistry	133

section **IV** Oral/Dental Diseases (Developmental Oral/Dental Problems)

<i>chapter</i> 12 Persistent (Retained) Deciduous Teeth	143
<i>chapter</i> 13 Craniomandibular Osteopathy	148

chapter **14** Enamel Hypocalcification 152
chapter **15** Eruption Disruption/Abnormalities 157
chapter **16** Abnormal Number of Teeth (Decreased) 163
chapter **17** Abnormal Number of Teeth (Increased) 168
chapter **18** Abnormal Tooth Formation/Structure 173
chapter **19** Dentigerous Cyst 178
chapter **20** Tight Lip Syndrome 183
chapter **21** Palatal Defects (Congenital) 186
chapter **22** Bird Tongue (Microglossia) 192
chapter **23** Malocclusions of Teeth 195

Section V Acquired Oral/Dental Diseases (Periodontal Problems)

chapter **24** Halitosis 207
chapter **25** Periodontal Disease: Gingivitis 211
chapter **26** Periodontal Disease: Periodontitis 216
chapter **27** Gingival Hyperplasia 224
chapter **28** Oronasal Fistula 231
chapter **29** Stomatitis 237
chapter **30** Oral Ulceration and Chronic Ulcerative Paradental Stomatitis 243

section VI Enamel and Dentin Problems

chapter **31** Discolored Tooth/Teeth 251
chapter **32** Dental Caries (Cavities) 258
chapter **33** Attrition/Abrasion/Wear of Teeth 271

section VII Endodontic Disease

chapter **34** Tooth Fracture 279
chapter **35** Tooth Root Abscess (Apical Abscess) 288
chapter **36** Pulpitis 295

section VIII Neoplasia

chapter **37** Epulis 303
chapter **38** Melanocytic Tumors (Oral) 310

<i>chapter</i>	39	Fibrosarcoma	314
<i>chapter</i>	40	Squamous Cell Carcinoma (Gingiva)	318
<i>chapter</i>	41	Squamous Cell Carcinoma (Tongue).	322
<i>chapter</i>	42	Squamous Cell Carcinoma (Tonsil)	326
<i>chapter</i>	43	Odontoma	330
<i>chapter</i>	44	Tumors of Lesser Prevalence.	336
<i>chapter</i>	45	Papillomatosis (Oral).	341

section **IX Trauma**

<i>chapter</i>	46	Maxillary and Mandibular Fractures	347
<i>chapter</i>	47	Temporomandibular Joint: Dislocation/Luxation/Intermittent Open Mouth Locking.	358
<i>chapter</i>	48	Tooth Luxation or Avulsion.	363

section **X Disorders Prevalent in Felines**

<i>chapter</i>	49	Tooth Resorption: Feline.	369
<i>chapter</i>	50	Caudal Stomatitis.	380
<i>chapter</i>	51	Chronic Osteitis/Alveolitis.	384
<i>chapter</i>	52	Oral Manifestations of Feline Infectious Diseases	389

section **XI Salivary and Other Special Problems**

<i>chapter</i>	53	Salivary Mucocele (Sialocele)	397
<i>chapter</i>	54	Sialolith	402
<i>chapter</i>	55	Salivary Gland Adenocarcinoma.	405
<i>chapter</i>	56	Masticatory Muscle Myositis.	408
<i>chapter</i>	57	Trigeminal Neuritis (Idiopathic).	412
<i>chapter</i>	58	Pemphigus Vulgaris	415
<i>chapter</i>	59	Eosinophilic Granuloma Complex.	420

section **XII Exotic Pets**

<i>chapter</i>	60	Small Mammal Dentistry	429
