Contents: The Chinese rural financial market has never been paid special attention internationally. But in China the reform of this market is a very current topic. Since the first round of rural financial reform in 1994, the Chinese rural financial market has changed enormously. This book gives an overview and analyses the results of the rural financial market reforms.

Author: Junhong Meng, born in 1983, earned her B. A. in German Language and Literature at the Beijing Foreign Studies University (BFSU) in 2006 and her M.A. in German Economy and Diplomacy from the BFSU in 2009. In 2014 she completed her Ph. D in Economics at the Ruprecht-Karls-University Heidelberg. Now she works as a lecturer at the BFSU.
