ISBN 978 3 8487 1343 1

Content

The process of globalisation since the 1970s did not lead to a loss of influence of the European Community but rather went pair with the Europeanisation of Europe. The EC acted by extending its activities and interaction on the political and economic realm and as a result pushed regional integration in Europe.

Editor

Claudia Hiepel is Senior Lecturer in Modern and Contemporary History at the University of Duisburg-Essen. She lectures and publishes on European Integration and International History.
