Contents

1. Introduction: Why Court Efficiency?	1
'Crisis' in the Administration of Justice: A Recurrent Topic?	1
Courts before the Court of Public and Professional Opinion	3
Is there a 'Litigation Explosion'?	9
The Third Branch of Government? The Changing Role of	
Courts in Society	14
Courts in the Welfare State and the Paradoxes of	
Globalisation	14
Why Efficiency? The Economic Dimensions of Adjudication	18
Towards an Effective Judiciary	25
Purposes, Scope and Methodology	27
Purposes and Scope	27
Legal Traditions and Branches of Jurisdiction	31
2. Litigation, Justice, and Efficiency	35
Litigation from an Economic and Socio-Legal Perspective	35
The Efficiency of Judicial Decisions	37
Why is the common law efficient?	38
The uses of efficiency, or judges as economists?	44
Efficiency in Litigation and Settlement: An Economic Model	46
The selection of disputes for litigation	48
The economics of criminal justice	52
Litigation from a Socio-Legal Perspective	53
Access and outcomes	53
Procedural justice	56
Law, Economics, and Sociology	61
SL and EAL as Autonomous Disciplines	63
SL as an autonomous discipline	63
EAL as an autonomous discipline	64
Rival or complementary approaches?	66
The Legal System and Economic Rationality	70
Justice vs efficiency?	70
Law in the collision of discourses	74
A preliminary conclusion	76

3. Selectivity	
The Dispute 'Pyramid'	
Selectivity	
Rules of jurisdiction and court functions	
Justice as a 'market'? The dynamics of supply	
and demand	
Economic, social, and legal-institutional factors	
Vertical Selectivity: The Process	
Cases and Controversies	
Procedural Stages and Anticipated Disposition	
Appeal	
What is the efficient level of appeal?	
The role of political and institutional constraints	
Vertical Selectivity: The Products	
Decisions	
Accuracy	
Enforcement and implementation	
Policy making	
Precedents	
Force and dissemination	
Consistency	
Horizontal Selectivity	
Alternative Dispute Resolution (ADR) and the	
Infrastructure for Avoiding Litigation	
An economic analysis of ADR	
The filtering effect Litigation and its Alternatives Compared	
Speed, costs, and satisfaction	
Transference and dejudicialisation	
4. Processing Capacity	
Courts as Organisations	
Organisational Concepts and Images	
What Kind of Organisations are Courts?	
Courts as professional organisations	
The bureaucratisation and professionalisation of courts	
The unit of analysis and the inter-organisational approach	
<i>The Influence of the Organisational Context</i> Courtroom workgroups and plea-bargaining in the	
criminal process	
The internal organisation of courts	
Adjudication, administration, and organisational roles	
Courts and Other Organisations
